On Friday evening, November 22, 1963, I went to the main floor of the Texas Theater on East Jefferson in Dallas, Texas. I watched the movie I saw an officer walking down the aisle with a riot gun and about that time the light came on in the theater. One of the patrolmen walked down the first of the theater and walked back up the aisle and I got up and started walking toward the front of the theater. I saw the officer chase two men down and then make a man sitting by himself to stand up. The officer started to chase him down, and when he did, this guy took a swing at the officer and then the next thing I could see was this boy had his arm around the officer's left shoulder and had a pistol in his hand. I heard the pistol snap at least once. Then I saw a large group of officers subdue this guy and arrest him.
